[Birp Progress Notes](#)

What Are BIRP Notes? BIRP notes are a model used by mental health professionals to track a patient's progress. The acronym stands for "Behavior Intervention Response Plan." Put into practice, BIRP notes should look something like this: Behavior (Presenting the Problem) In this section, we need observation of subjective and objective details. Subjective details refer to observations made directly by the client (their thoughts and/or opinions) Therapists often write these as direct ...
